

# REBEI KHAIREDDINE

## Software engineering Student

Monastir,Tunisia - khairirebei24@gmail.com <https://khaireddinerebei.me>

### SUMMARY

Khaireddine Rebei, a dedicated and passionate software engineering student who is eager to make a positive impact in the field of technology. I possess a natural curiosity and a thirst for knowledge that drives me to stay updated with the latest advancements. I am not only a problem-solver but also a great team player, able to effectively collaborate with others and communicate ideas in a clear and concise manner. My adaptability and flexibility allow me to thrive in dynamic environments and work well under pressure.

### EXPERIENCE

#### Web Developer (intern)

DocStream Solutions | 07/2022 - 08/2022

- Creating Stock Management Web application ( Microsoft SQL Server - ASP.NET ).
